The district has a proud cultural heritage and an eye catching and fertile contemporary offer, with world class exponents of literature, film, music, art and cuisine.

West Yorkshire Pension Fund (WYPF)

City of Bradford Metropolitan District Council is the administering authority for WYPF. Bradford Council's administering authority responsibilities are met by WYPF's in house pensions administration and investment teams.

WYPF is one of the largest of the regional funds that make up the Local Government Pension Scheme (LGPS). As at 31 March 2026 WYPF had 337,057 members and 425 active employers across the UK. The largest employers in the fund are the five West Yorkshire Councils- Bradford, Calderdale, Kirklees, Leeds and Wakefield. WYPF also provide shared service administration arrangements to three other LGPS funds and twenty four Fire and Rescue Authorities. In total, with the Shared Service administration arrangements, WYPF serves 535,860 members and over 1,000 active employers.

Northern LGPS

Northern LGPS is a partnership between the Greater Manchester (GMPF), Merseyside (MPF) and West Yorkshire (WYPF) Local Government Pension Scheme (LGPS) funds.

Formerly known as 'Northern Pool', it is one of Britain's largest public investment funds, with combined assets under management of £61bn. Northern LGPS represents about a fifth of total LGPS assets, has approximately 870,000 members and over 1,200 contributing employers.

Northern LGPS's purpose is to ensure the assets of its funds perform effectively so that members receive a pension that enables them to enjoy their retirement in dignity.

The inhouse investment team will move to the Northern LGPS once FCA approval is granted.

UK City of Culture 2025

Bradford was the City of culture last year and delivered more than 1000 new performances and events including 365 artist commissions, a series of major arts festivals as well as exciting national and international collaborations. Its themes were rooted in the unique heritage and character of Bradford and revealed the magic of the district that is held in its people, its ambition, and above all, its potential.

Bradford District has more to offer than you might think.

A local economy that's valued at £12 billion. 10 million visitors a year. A compelling blend of the city and stunning countryside. The youngest district in the UK with nearly a third of the population aged under 20. Identified as the most improved city in the PricewaterhouseCoopers's Good Growth 2019 Index. And it's diverse – ethnic minorities form a third of the population with more than 150 languages spoken within

the district. Geographically, our district includes the city of Bradford itself, the large town of Keighley and several smaller towns and villages many with their own strong and distinctive identities.

Equal Rights and Diversity Statement

This statement outlines the Council's commitment to equality and diversity. We want to make our district a fairer and more equitable place for everyone in the district. The Council aims to eliminate discrimination, advance equality of opportunity and foster good relations across all protected characteristics in all its activities including its decision-making, policy development, budget setting, procurement and commissioning, service delivery and employment functions.

Interview expenses

You may be able to claim travel and subsistence expenses incurred. Please discuss with the recruiting manager.

Trade Union membership

This Council supports the principle that all employees should be encouraged to be members of an appropriate trade union recognised for the purpose of negotiation and consultation.

Equality Act (2010)

As an equal rights employer we are committed to providing equality of access to employment and to development opportunities for people from all parts of the community. We particularly encourage applications from disabled people who are under-represented amongst our employees.

See below for information on the definition of disability, reasonable adjustments, guaranteed interview, alternative formats, rehabilitation of offenders, policy on employment of people with a criminal record etc

Disabilities

Bradford Council has been awarded Disability Confident status by the Department of Work and Pensions. Disability Confident is a national scheme which aims to ensure that disabled people and those with long term health conditions can fulfil their potential and realise their aspirations.

Definition of Disability

The Equality Act 2010 defines a 'disabled person' for the purpose of the Act as a person who has a 'disability' if he or she has a physical or mental impairment which has a substantial and long-term adverse effect on her or his ability to carry out normal day-to-day activities.

- Physical impairments - This includes for instance, a weakening of part of the body (eyes, ears, limbs, internal organs etc.) caused through illness, by accident or congenitally. Examples would be Blindness, Deafness, Paralysis of a leg, Heart Disease, Diabetes, Epilepsy, ME. Mental health - This includes a clinically well recognised mental illness.
- Mental ill health can range from feeling a bit down to common disorders such as anxiety and depression and in limited cases to severe mental illness such as bi-polar disorder or schizophrenia. Some illnesses are persistent and may be classed as a disability while others come and go, giving the individual good and bad days. For example, someone with a mild form of depression with only minor effects may not be covered but someone with severe depression with substantial effects on their daily life is likely to be considered as disabled under the act.

- Learning Disability - For example Dyslexia, Asperger's Syndrome and Autism are also recognised disability conditions.
- Substantial - Put simply, this means the effect of the physical or mental impairment on ability to carry out normal day-to-day activities is more than minor or trivial. It does not have to be a severe effect.
- Long term adverse effect - The effect must have lasted, or be likely to last, overall, for at least 12 months and the effect must be a detrimental one.
- A person with a life expectancy of less than 12 months is also covered.

Reasonable adjustments

To support our aim of removing barriers to employment for disabled people we are committed to making any necessary reasonable adjustments. These adjustments may include modifying the selection process, the job role or the working environment. To assist us in planning to accommodate your individual needs (if any); it would be helpful if your application could be supplemented by any information you may wish to provide about your needs. This information will be treated as confidential within the recruitment process and will be used solely with your consent, for the purpose of enabling selectors (and our Occupational Health Unit if appropriate) to make a fair assessment of your capabilities.

Guaranteed interview

The Council has a policy to interview any disabled applicant who meets the essential special knowledge criteria (these are marked with a X). You must also be able to demonstrate that you meet the experience and qualifications criteria. We also consider any reasonable adjustments that need to be made as we wish to ensure that disabled candidates needs are considered during the selection process. Please see www.bradford.gov.uk/jobs for more information.
