

CITY OF BRADFORD METROPOLITAN DISTRICT COUNCIL JOB PROFILE

DEPARTMENT: Corporate Resources	SERVICE GROUP: Built Environment
POST TITLE: Project Manager	REPORTS TO: Project Management / QS and CDM Manager
GRADE: P04	SAP POSITION NUMBER: 50092141

The following information is furnished to help Council staff and those people considering joining the City of Bradford Metropolitan District Council to understand and appreciate the general work content of their post and the role they are to play in the organisation. The duties and responsibilities highlighted in this Job Profile are indicative and may vary over time. Post holders are expected to undertake other duties and responsibilities relevant to the nature, level and scope of the post and the grade has been established on this basis. For posts where employees speak directly to members of the Public the post holder is required to demonstrate their ability to speak fluently in English.

As a candidate you will be expected to demonstrate your ability to meet the special knowledge, experience and qualifications required for the role by providing evidence in the application form for the purpose of shortlisting. Applicants with disabilities are only required to meet the essential special knowledge requirements shown by a cross in the end column of this section.

The employee competencies are the minimum standard of behaviour expected by the Council of all its employees and the management competencies outlined are those relevant for a post operating at this level within our organisation.

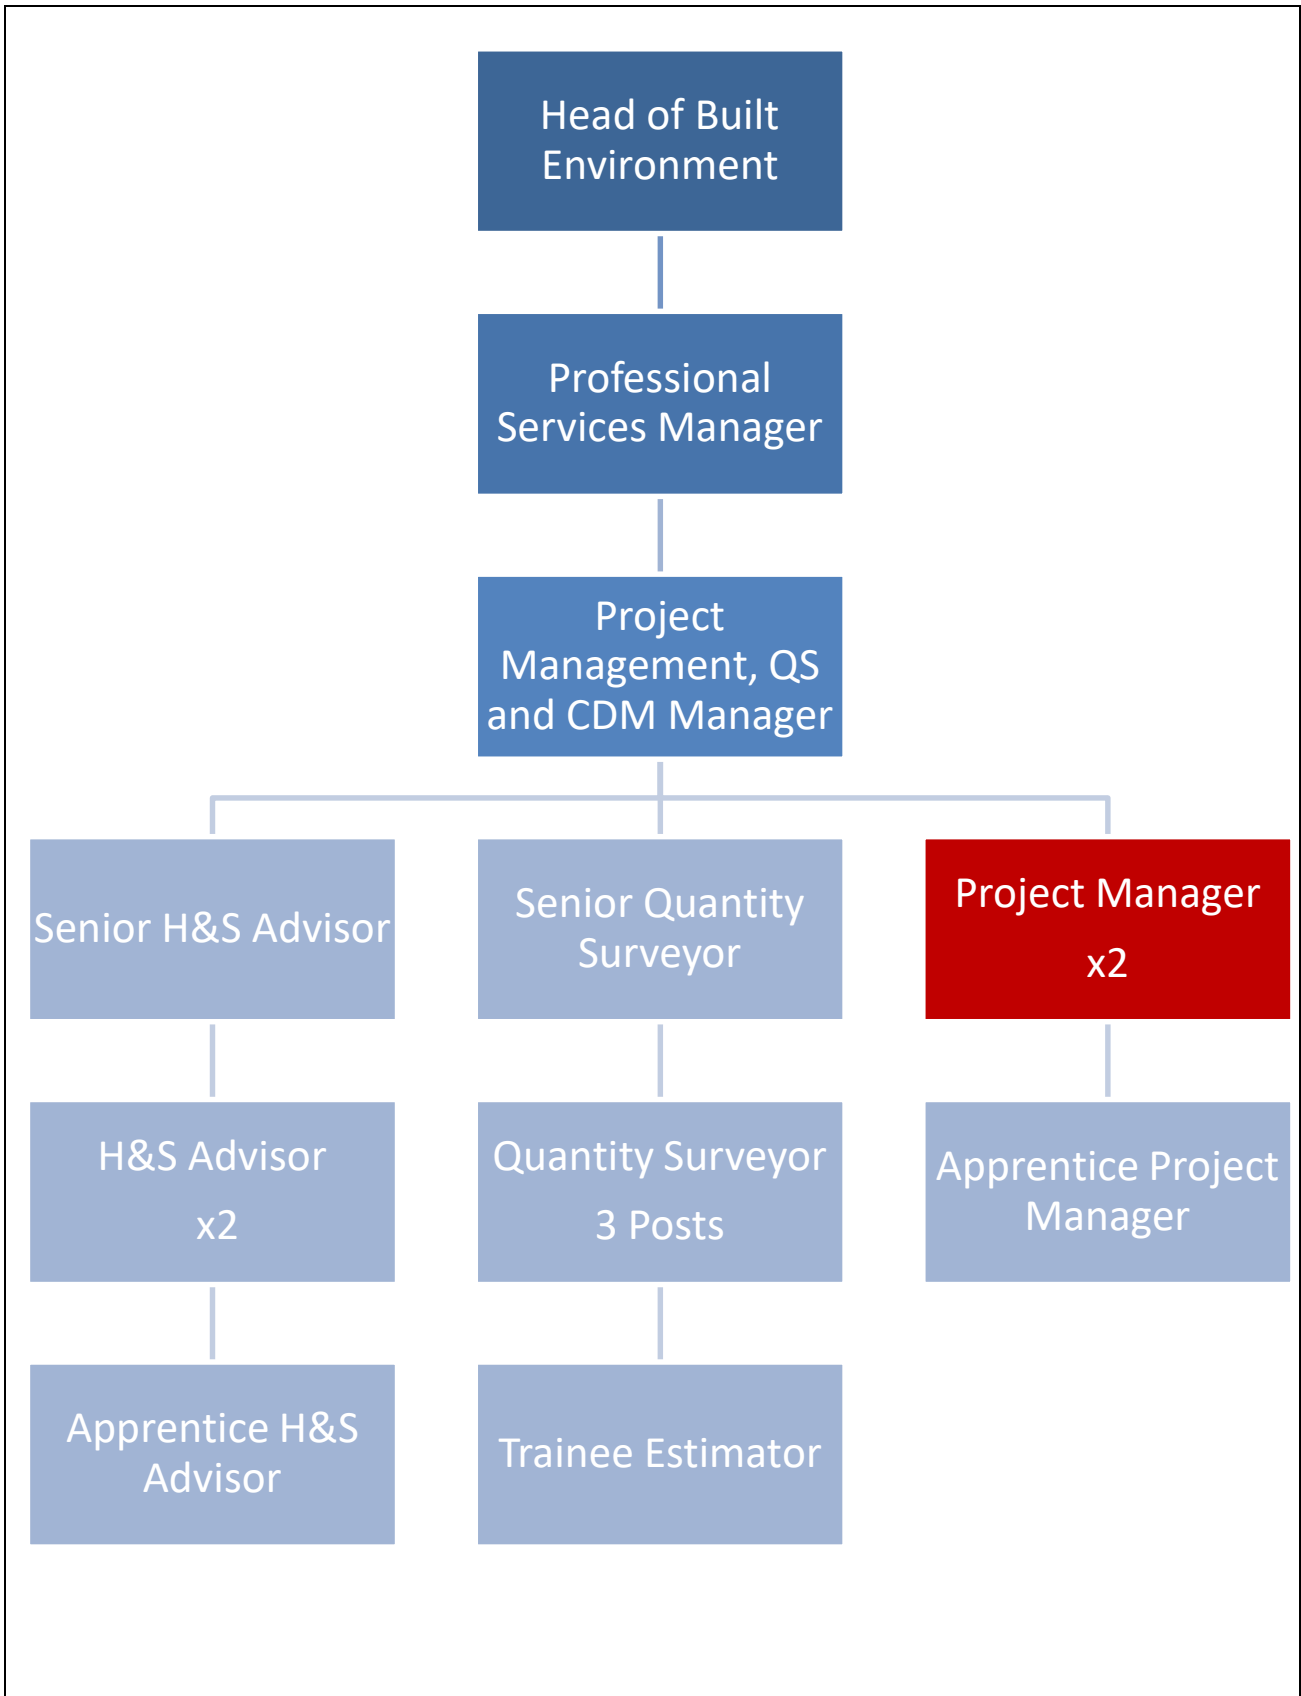

Both sets of competencies will be used at interview stage and will not be used for short listing purposes.

Key Purpose of Post:
<ul style="list-style-type: none">• To provide a full professional project management and quantity surveying service in the delivery of major capital building projects for the Council from inception to completion using internal and / or external resources.• To drive the delivery of building projects to the highest affordable standards within agreed budgets, timescales, standard and compliance with Statutory requirements.• To provide expert advice on procurement, contractual and project management matters in relation to buildings and building related projects.
Main Responsibilities of Post:
<ol style="list-style-type: none">1) Take a lead role in the management and delivery of capital building projects.2) Attainment of the best possible standards in the design and construction of buildings and associated works within the budget and programme agreed with the Client.

Competency Based Job Profile

- 3) Preparation of documentation including, but not limited to; Cost Estimates, Cost Plans, Bills of Quantity, Schedules of Work, Cost Statements, Final Account statements and Project Management plans. Reports prepared using IT systems including electronic BoQ's preparation software to ensure an efficient, cost-effective and professional service to attain and improve on the section's Key Performance Indicators.
