Role Purpose

The IDVA will be based in the Lotus Project Team but working across other multi-need teams in the Organisation. The aim of The Lotus Project is to engage and support individuals (any gender) to divert from or exit sex work through a range of support infrastructures for themselves and their families. The successful candidate will report to the Lead IDVA/ISVA who is already embedded in the team and provide a high-quality frontline IDVA case holder service to individuals accessing the Lotus project and our other multi-need teams who are also experiencing domestic abuse and/or sexual violence related trauma.

Main Duties and Responsibilities

- Take referrals from the programmes Case Liaison Workers, and providing IDVA support/ advice to the team through assessing the risks and needs of domestic abuse / sexual violence victims using an evidence-based risk identification checklist and through consultation with the programmes Case Liaison Workers (lead professional)
- Focus on and prioritise high risk cases and provide a pro-active, short to medium term crisis intervention service, through individual safety planning, advocacy, emotional and practical support.

Work with high-risk victims of domestic abuse/ sexual violence to assist them in accessing services to keep them and their family safe. Develop individual safety plans to meet client's needs as identified in the needs and risk assessment, and to embed this within the wider support package delivered by the Case Liaison Workers.

- Understand the legal framework relating to the protection of children and vulnerable adults, including the policy and procedures of the Local Safeguarding Boards.
- Providing advocacy, emotional and practical support and information to victims including exploration of legal and civil options, housing, health and finance and support clients through the criminal justice system, while working alongside the programmes Case Liaison Workers.
- Support the empowerment of the client and assist them in recognising the features and dynamics of domestic abuse/ sexual violence present in their situation
- Participate fully in the Multi-Agency Risk Assessment Conference framework: refer clients, attend and fully participate in meetings by being the voice of the client and follow up actions agreed in the MARAC keeping the client's safety at the forefront of proceedings.
- Maintain accurate and confidential case management records and contribute to monitoring information for the service and wider service

- Comply with data protection legislation, confidentiality and information sharing policy and procedures, as well as all legislation connected to your Work.
- Remain up-to-date and comply with organisational procedures, policies, and professional codes of conduct to uphold standards of best practice
- Make contact and proactively engage with individuals involved in on and off-street sex work through outreach on the streets, visits to individuals working in saunas within the Bradford area or at their home or other agreed places at their request.
- Develop and maintain excellent working relationships with the programmes Case Liaison Workers and a range of partner organisations and services.
- Make recommendations to raise standards of practice and service delivery if required.
- Attend regular team meetings and other organisational meetings as required.
- Participate in the induction process of volunteers, students, and Bridge employees.
- Apply reflective practice skills to evaluate work carried out by self.
- Contribute to training needs of other workers in this field.
- Participate in personal and professional development, updating knowledge as appropriate – NOTE: this post includes a training for ISVA that the post holder is expected to enrol in and to
- Fully participate in Bridge’s supervision and support structures.
- To recognise ones own personal and professional limitations and boundaries and discuss these at supervision and related support meetings.
- To undertake any additional duties, as directed by management which are commensurate with this post.
